MAY 10TH PROGRAM

“BENCHMARKING CAPITAL PROJECT PERFORMANCES”

By

**Stephen Mulva, Ph.D.
Construction Industry Institute (CII)
University of Texas at Austin**

Dr. Stephen Mulva directs the Benchmarking and Metrics program at the Construction Industry Institute (CII), a research component of the University of Texas at Austin. His current research projects are focused on the benchmarking of capital project performance for the pharmaceutical, biotechnology, healthcare, and oil and gas industries. Stephen holds a Ph.D. in Civil Engineering (Construction Engineering and Management) from the Georgia Institute of Technology (2004) and two degrees from the University of Texas at Austin: an M.S. in Civil Engineering (1996) and a B.S. in Architectural Engineering (1995).

Dr. Mulvas' presentation will discuss the current benchmarking standards of capital project performances.
